**PUBLIC INPUT:** Barry Williams stated it was time to put a Township sign on the building and possibly take the Kings Highway School Sign down. He commented that it was time to let people know this is the Township Building. He stated he didn't think an electronic sign would be good since the intersection is so busy but a sign that identifies the building should be put up.

Supervisor Sentner stated that he just had that conversation earlier today with Bud Carter.

Joel Kleckner asked about the No Outlet sign for Miller Ave. He stated since it has been down there is an increase of traffic on the road since people believe it is a through road, only for them to turn around and speed back to the stop sign when they reach the end.
