EXECUTIVE SESSION: Not Needed

PUBLIC INPUT: Carl Smartschan of 7288 Sigmund Rd.

Mr. Smartschan presented a letter to the Board of Supervisors outlining his concerns for his home and the safety of other due to the flooding that occurs at the culvert next to his home. He thanked Public Works in their diligence of checking on this culvert before during and after storms and the removal of the debris that collects to block the culvert and flood the road. He has lived in the home since the 1980's and has heard multiple times that the concerns there were being looked into. He would like to know what has been looked into and where the Township stands in finding a fix for the flooding of the intersection and at times his property. He is also concerned about the young adults that entertain themselves in the flood water with their ATV's and four wheel drives.
