> 4.) Request for support of the Wildlands Conservation DCNR Grant submittal a. Letter from Wildlands Conservancy

Wildlands seeks to substantively develop and enhance public access to nature across 6 unique Preserves in the Lehigh Valley. Wildlands needs to create or enhance access signage at all 6 properties, develop new parking and trail network on a recently acquired property, upgrade parking at the existing Burkhart and Reimert Preserves, update or create datasets for preserve visitor information app, and compete construction of the multi-use trail network at the Reimert Preserve. These new and enhanced access features are critical at a time when existing access to public open space is taxed and use has more than doubled. The additional Preserve access will spread use across the existing network by providing additional parking, trail miles, and acres to connect the visiting public to the nature just beyond their backdoors. I ask that you consider supporting this project by providing a letter of support prior to April 14th for inclusion with the Conservancy's DCNR application.

MOTION: Supervisor Moore made a motion to have staff draft a letter of support for the wildlands Grant submission as requested in their letter dated March 3rd, 2021. Supervisor Sentner seconded the motion. Hearing no questions or comments, both were in favor, motion carried.

Recreation Commission: At the March 15th Recreation Committee there were two items for recommendation and request for permission from the Board of Supervisors. Ezra Schreiner asked if he could plant more milkweed seeds at Churchview Park to help the meadow, butterflies and bees. He has collected seed from last year to plant. The second is the request for permission and funding to host a book walk within Churchview Park using the Magical Mythical Bees Book. (Estimated cost not more than \$500.00 for materials and signage.)

Supervisor Sentner questioned planting location of the milkweed and changes in maintenance for Churchview Park. Secretary O'Donald explained some of those changes and gave assurances that the milkweed would be planted in a correct location for the plan.

<u>MOTION:</u> Supervisor Sentner made a motion to allow Ezra to plant the milkweed with guidance from staff on location, and to allow the Book walk at Churchview Park with costs not to exceed \$500.00. Supervisor Moore seconded the motion. Hearing no questions or comments, both were in favor, motion carried.

EXECUTIVE SESSION: Executive session held for Legal matter immediately following adjournment of regular meeting. (No decision to be announced)

ADJOURNMENT: Meeting adjourned at 7:08 pm.

Meeting re-opened at 7:10 pm for Gerald Reinbold to have public comment.

Mr. Reinbold of Allen St asked for an update on the Property concerns on 3720 Allen St. He stated that he was aware that the Township had fined the owner and that Pennsylvania State Police and Township Officials were at the property recently. He wanted to know how the Township could leave all of the cars on the property at question since there are ordinances that disallow that. He wanted to know how long this clean-up would take as he has been patient for two years.

Solicitor Fisher explained that the Township did fine the owner of 3720 Allen St. and placed a lien on the property for the full amount of the fine. The Township had filed a civil enforcement with the Magistrate who made a finding that the owner needed to pay the fine and remove items from the property. The owner did not comply. The Township then filed in Lehigh County Court. The judge gave the owner a deadline to remove the junk form the property. This was not done in the timeframe given so the Township followed up and took the owner back to court for contempt. The Judge found the owner in contempt and gave the Township permission

to enter the property to have the items removed and lien the property for the cost. The site visit for that estimate was early February. With the weather at that time the site visit was rescheduled to recently. The process is being handled as it needs to be through court actions.

Mr. Reinbold thanked everyone for the update and will come back to the next meeting for further update.

ADJOURNMENT: Meeting adjourned at 7:21 pm.
