PUBLIC INPUT:

Jim Krippe: Jim stated he had a concern with connecting during the last meeting to the zoom link. He stated he felt he was kicked out of the meeting. Then had trouble reconnecting. He did state he was finally able to connect to the meeting and could hear while connected. He felt that it was not his service, that he had signal strength and that the Township needs to look into what might have happened to make sure people can connect easier.

Secretary O'Donald stated that the entry of participants is on the screen for everyone in the public to view. During that meeting Jim had connected but the audio was still trying to connect. She had admitted him from the waiting room two more times. During the meeting he was on and still connecting to the audio with one login and then connected fully as those he was in the meeting twice. {NOTE: The connection is to the zoom platform on the internet not through the Township's network. The Township's network is only providing the feed to the zoom platform during the meetings as well as the TV screens.}
