

Sustainable Backyard Workshop October 20, 2022
Stormwater solutions for homeowners in Lehigh County

Learn how YOUR actions impact local water resources and learn how YOU can incorporate sustainable backyard solutions to improve the water quality of our watershed.

Join the Lehigh County Conservation District, in partnership with Lehigh County Authority and Penn State Extension for a FREE workshop:

October 20, 2022

6:00pm – 7:30pm

Lehigh County Authority

1053 Spruce Road, Wescosville, PA 18106

(event will take place in the garage area – follow signs)

Participants will receive a FREE light dinner and native shrub.

Please register at <https://www.eventbrite.com/e/stormwater-solutions-for-homeowners-in-lehigh-county-tickets-411520919147>

For additional questions, please feel free to contact Laura Hopek, Environmental Educator with the Lehigh County Conservation District at LHopek@LehighConservation.org

Financial and other support for this project is provided by the Pennsylvania Association of Conservation Districts, Inc. through a grant from the Pennsylvania Department of Environmental Protection under Section 319 of the Clean Water Act, administered by the U.S. Environmental Protection Agency.
