BUSINESS:

1.) Discussion with Fire Companies

Kevin Kleinsmith presented information from Western District Fire Company outlining their revenue estimates including cell tower revenue, grants, fundraisers as well as their equipment costs and expenses. Kevin outlined some of the items that have driven costs up dramatically in a few years' time. In this presentation they gave information on a company that does grant writing for Fire Companies. The Tanker Pumper that is ordered for Western District Fire Company is at a cost of 1.4 million and that is just the truck, it still needs equipment on the truck.

There was a discussion on needs and possible solutions:

Phil Casey expressed his concern over the purchase of new equipment versus repair of old equipment. He also asked about a referendum for the Taxpayers to say what they are willing to spend. He suggested putting this information in the newsletter again.

Chief Kris Bawden was asked about the needs of Vera Cruz Fire Company. He stated that in the next two years they will be forming a truck committee to spec out a new truck for their department. They will need a new one to replace the two-seater tanker that is leaking. The trucks they have looked at may fit into their building or the building may have to be expanded just in the bay that will house the truck for length. The quote they had received before was approximately \$15,000 to expand the bay. Their doors and ceiling are tall enough for the new trucks. The parking lot needs to be paved at the Fire House.

Joe Terrible discussed the previous five-year plan. He talked about the expense of the new equipment and how the only way to fund the fire companies may be an increase in taxes because the cost of the new trucks is just not something that anyone can raise with smaller fundraisers. The Fire Companies can raise funds for their day-to-day operations but need help with the major capital

purchases and those costs now outweigh anything that was thought of five years ago. He asked if the Board wanted to see just a capital expense budget for 5 and 10 years. It was discussed that the Board should know both the capital expense budget and the day-to-day operations budget.

There was more discussion on a referendum, audits of the Fire Companies and newsletters. Jessi offered that the newsletter committee was accepting article for the next newsletter in March and that the volunteers might be better at educating the public than she might be. Russ Siminski offered to contribute an article for the Newsletter. Shelly Zgura offered that it might be good to give percentage of households at donate to the Fire Companies.

It was decided to have another meeting next month after the Fire Companies can get a 5 and 10 year plan together.

OLD BUSINESS: None

NEW BUSINESS:

1.) 2024 Budget Discussion if needed

Supervisor Moore stated it was a balanced Budget with no increase. Supervisor Zgura asked for a public works project list. Supervisor Mohr had no questions.

2.) Resolution 2023-026 - The Fields at Twin Run Development Agreement

Solicitor Fisher explained this was the agreement they had reached for the development that included the 1.37 acres that will be turned over to the HOA with the walking path and a small fee in lieu of recreation.

<u>MOTION:</u> <u>Supervisor Moore made a motion</u> to approve Resolution 2023-026. <u>Supervisor Mohr seconded the motion.</u> Hearing no questions or concerns, all were in favor, motion carried.

3.) Resolution 2023-027 - Investment for Fire Companies

Solicitor Fisher explained that this lined out what was discussed prior for investing the money for the Fire Companies for the foam system and a future vehicle, how to split the interest and that the Fire Companies must acknowledge the Resolution prior to the end of the 270-day term transaction.

<u>MOTION:</u> <u>Supervisor Zgura made a motion</u> to approve Resolution 2023-027 to invest the money for the Fire Companies. <u>Supervisor Moore seconded the motion.</u> Hearing no questions or comments, all were in favor, motion carried.

4.) Resolution 2023-028 – O&M for 5232 South Mountain Dr (Aponte currently of Marion Place)

This is the normal stormwater operation and maintenance agreement between the homeowner and the Township for stormwater systems put in place due to new construction.

- 5.) Alan Myers Escrow Release Report
 - a. Check No. 180 in the amount of \$5,000.00
 - b. Memo from manager Carter

Alan Myers has completed rehabilitation to the Turn Pike bridge that is above Church View Road. They were using Faith Drive, Bleiler Road, Acorn Drive and Geho Road for the detour passenger traffic detours. Alan Myers posted security with the township in case any damage occurred during the detour, and they are asking for the security to be returned to them. I have completed an inspection and did not see any damage to these roads. At this time, I would like to ask the Board to make a motion to return the \$5,000 that was held for security to be returned to Alan Myers.

<u>MOTION:</u> Supervisor Moore made a motion to approve the Allen Meyers Escrow release for the roads for the Churchview Road Turnpike bridge detour per Manager Carter's memo dated October 17th, 2023, along with release check number 180 in the amount of \$5,000.00. <u>Supervisor Zgura</u> seconded the motion. Hearing no questions or comments, all were in favor, motion carried.

6.) Jasper Ridge Parking Discussion

The Jasper Ridge Homeowners Association (HOA) approached me with a request to revise the "No Parking" restrictions on the approved plan. It is my understanding that the HOA is concerned with the distance of the Community parking lot for several of the houses in the development and is proposing parking on one side of Mink and Stole Roads to provide overflow parking within the development. The attached plans delineate the specific parking sign revisions which involve the elimination of seven "No Parking" signs and the addition of three "No Parking Here to Corner" signs. From my perspective, the 32-foot-wide local roadways should be adequate to permit parking on one side of the street. I support the request and am asking the Township to approve the proposed plan revision. The plan revision can be reflected on the final as-built plans which will be prepared following completion of the project. I look forward to your cooperation in approving this revision and would appreciate your letting me know how to proceed to obtain Township approval.

There was a brief discussion where ideas about HOA enforcement, the history of the plan as approved and difficulty parking on Benjamin court were all discussed. The engineer and HOA representative will do some more research and discussion with the HOA members and come back to the Board.

PLANNING COMMISSION - NEW BUSINESS:

- 1.) PC review of Emmaus Zoning, SALDO, & Official Map
 - a. A. Letter from Brian Miller

At their meeting on October 2nd, 2023, the Planning Commission reviewed the Draft Emmaus Borough Zoning Ordinance, Zoning Map, SALDO & Official Map as per the requirements of the Southwestern Comprehensive Plan Agreement. The Planning Commission recommended thanking the Borough for allowing them to review the proposed ordinances. The Planning Commission noted the proposed Official Map did not have adjacent municipal boundaries shown and suggested recommending the Borough revise the plan to show the adjacent Boundaries. If you agree a motion for me to write a letter addressing the above will be completed.

<u>MOTION:</u> <u>Supervisor Moore made a motion</u> to direct staff to write the letter to Emmaus Borough in accordance with Brian Miller's letter dated October 18th, 2023. <u>Supervisor Zgura seconded the motion</u>. Hearing no questions or concerns, all were in favor, motion carried.

<u>MOTION:</u> <u>Supervisor Zgura made a motion</u> to approve the time extension until December 7th, 2024 for the Annex at The Fields at Indian Creek. Supervisor Mohr seconded the motion. Colt Hershinger asked if Emmaus Borough Approved this as well. Brian Miller answered that The There was only a very small part within the Township to approve the extension for.

CORRESPONDENCE:

1.) Macungie Borough request for detour and Special Fire Police for the Halloween Parade a. Letter from Manager John Brown

Macungie Borough requests the use of East Macungie Road as a traffic detour during our Halloween Parade on October 29, 2023, from 6:00-9:30 PM and the use of Special Fire Police from Upper Milford Stations #19 and #28 if willing and able. Please have them contact the following: Sargent Travis Kocher or Parade Coordinator Margaret Young.

<u>MOTION:</u> <u>Supervisor Mohr made a motion</u> to allow the use of East Macungie Road as the parade detour route and Special Fire Police from stations #19 & #28 for the Macungie Halloween parade on October 29th, 2023, from 6:30-9:00 pm. <u>Supervisor Zgura seconded the motion</u>. Hearing no questions or comments, all were in favor, motion carried.

- 2.) Request from Western District Fire Company
 - a. Letter from Kevin Kleinsmith

he Upper Milford Western District FC is asking if the board would fund the cost of a grant writer to allow us to apply for the AFG (Assistance to Firefighter Grant). This grant we want to apply for will help offset the cost of equipping our new tanker pumper that is on order. We plan on applying for: 2000' of 5" large diameter hose for that truck, 1500' of 5" large diameter hose to replace our existing 21-year-old hose that is located on our 2014 KME engine, Various fittings and nozzles needed for the new truck to handle the foam capabilities of the truck. We have a quote for the hose of \$35,000 and are waiting for the cost of the fittings and nozzles. The grant writer we have selected has an excellent track record of getting grants for various fire companies. His proposal is attached and has stated that our needs are a high priority case to be funded. If we are awarded our share would be 5% of the total of the grant. The grant period is set to open in early January and all the awards are set to be awarded by September 30, 2024. Starting in November will be the planning period to be ready to apply in January. Thank you for considering this.

There was a discussion on this request. Supervisor Zgura asked for time to do some research. Treasurer O'Donald suggested the Fire Companies work together with the ESC to see what they both need and wondered if the Local Shares Grant would be a cheaper easier option for application since the truck isn't being delivered for a while there is time to try for that in the next LSA grant round. It was decided that the Board isn't opposed to paying for a grant writer in the correct circumstance but needed more time and information.
