1. Discussion on reducing the Planning Commission membership numbers by attrition

The Board of Supervisors and Township Manager discussed the merits of reducing the Planning Commission membership from 9 members to 7 or 5 members as it was in the past through attrition of current members. Township Manager DeLong indicated that any change would require an ordinance to implement the change to the number of members on the Planning Commission. The Board agreed that at this time 7 members would be their desired number of members and instructed Township Manager DeLong to work with the Solicitor to develop the appropriate ordinance. Supervisor Sentner, stated that this is not a measure to remove anyone from the Planning Commission.
