OLD BUSINESS: None

NEW BUSINESS:

- 1.) Discussion of brake retarder ordinance for Vera Cruz Road.

The township received a complaint in regard to brake retarder use by trucks at certain times exiting Seedway. Vera Cruz Road is a state road but any limitation such as brake retarder restrictions needs to be initiated by the Township. The Township would have to institute a study, an Ordinance and a request through PennDOT to have this limitation. Even if the Township were to request a limitation on this road PennDOT may still oppose the limitation. Manager DeLong asked the Board of Supervisors if they were in favor of this type of limitation.

All three supervisors expressed concerns that brake retarders are a safety feature and question the limitation of their use on the slope into Vera Cruz Village. They were not in favor of this type of limitation on Vera Cruz Road.

ANY OTHER BUSINESS: - None

EXECUTIVE SESSION: - The Board of Supervisors held an executive session from 7:10 pm to 7:42 pm to discuss personnel and legal matters.
