OLD BUSINESS: None

NEW BUSINESS:

1.) 2018 Budget- Discussion

There was a brief discussion on the draft budget presented to the Board of Supervisors. Assistant Manager Bud Carter highlighted a few topics listed in the budget.

Supervisor Sentner questioned the purchase of a gator, and asked if an RFP can be issued for the purchase of the truck instead of only getting a price through costars. He also questioned if the sale of the properties that were awarded bids this year would be complete and asked where that money is going back to. Secretary/Treasurer Jessi O'Donald stated the settlements were scheduled prior to the end of 2017 and the money would go back to the General Fund since that's where it had been taken from for the purchase of the Fulmer Properties. It was suggested that a gator is more convenient and safe to use for park/trail maintenance instead of the lawn mower trailer combo that is taken now.

Supervisor Sentner asked what the reasons were that the old Township Building cannot be sold.

The Old Office Building is on a property that is very integrated together. There is no area on the garage space that can be used for septic. He asked if it were possible to look into it further.
