This meeting is being recorded principally to aid in the preparation of Minutes and for such other purposes as the Board sees fit. For that reason, will each person wanting to give any comments during this meeting, please state your name for the record and address the Board of Supervisors.

PUBLIC INPUT:

Jim Krippe – He commended the road crew for the work on Mill Rd with the gutter near Herbine's Garden Center but is worried that they shortened the road width and is concerned that a vehicle traveling north making a left onto Mill Rd in the winter will end up in the gutter.

Phil Casey – Since he has watched the Kavanagh hearings, he is asking again to have the meetings live streamed so he can watch them from out of town.

There was a brief discussion that the School District was considering filming their meetings and we would wait to see how they decide to proceed and what their research into the matter finds.
