**NEW BUSINESS:**

- 1.) Discussion of House Bill 465 – Fire Relief Funds

There was a brief discussion on the Bill and supporting information. The Board asked if it was possible to ask Simmons Office to explain the thought behind the moving of the Foreign Relief Funds.

- 2.) Discussion of LCA Request for 4251 Chestnut St

Mr. Weaver had asked LCA and the Township about bringing sewer to his business. LCA is requesting that he run the line across the frontage of the property and to an adjacent property. LCA is talking they might allow him to just run it to the building. The Trapp Door has also asked in the past about public sewer. The discussion revolved around the difference between a low pressure line and a gravity flow toward the Trivet restaurant. Would this be close to opening Chestnut Street to public sewer? Brian Miller suggested if sewer would go up Chestnut St the line would have to come from somewhere else. It was decided that Brian would coordinate with LCA to see what they will allow.

**ANY OTHER BUSINESS:** - None

**ADJOURNMENT:** Meeting adjourned at 7:31 pm.
