WORKSHOP MEETING MINUTES

ATTENDANCE: Supervisors: Robert Sentner, Joyce Moore, Daniel Mohr; Manager Bud Carter; Planning Coordinator Brian Miller; Solicitor Marc Fisher; Secretary/Treasurer Jessi O'Donald

Meeting called to order at 7:00 pm.

ANNOUNCEMENTS:

This meeting is being recorded principally to aid in the preparation of Minutes and for such other purposes as the Board sees fit. For that reason, will each person wanting to give any comments during this meeting, please state your name for the record and address the Board of Supervisors.

EXECUTIVE SESSION: Not needed

PUBLIC INPUT:

Jim Krippe, He stated that in answer to Supervisor Sentner' s question about what the LCA Fire Hydrant fee covered, he did some research and found that in previous budgets it was covered by a charge to the residents within a certain proximity to each fire hydrant.

Supervisor Sentner thanked Mr. Krippe and explained that his question was asking for an explanation of the maintenance that LCA preforms on the hydrants.

Jim Heater – 6015 Kings Highway South – He is concerned about the speed of traffic through the village of Zionsville. Residents park along the road and have to be extra cautious about opening their car doors in fear of car passing too fast hitting them. He asked about speed humps and other ways to slow the speed of the traffic down. Brenda Stauffer just had her car hit with so much damage that the insurance company totaled the vehicle. He stated that the Speed is now also costing the residents financially.

There was a brief conversation about the speed of traffic on all area roads and the limited options to control the speed. It was discussed that the speed sign has been helping travelers understand how fast they are traveling. The sign will be moved to along Kings Highway South to study the traffic situation.

Gary Budman – 3552 Lenape Lane – He was sent by the neighborhood to ask about speed limit and snow emergency signs within the neighborhood of Indian Mill Creek.

Manager Carter explained that the community association would be more effective at encouraging the correct speed limit and removal of cars during a snow plowing event that any signs we can install.

OLD BUSINESS: - None
